Crystal Ball

D1 – Down to the semifinals, and expect a shootout in the NY Life-Wallace Express game, similar to NYL's 86-74 win in the regular season. They should have enough firepower to advance. In the other semi, two upsets from the quarters give us Team Mamba vs. Village Café. Mamba won by two a few weeks back, but can Village Café stay as hot as their 22's three's last round?

D2 – If 7 Or 7 gets past Hill City, it will set up a semifinal that is a championship rematch from last season – C.O.R.C. vs. 7 Or 7. C.O.R.C. is the defending champ & won their reg season matchup easily, but can that continue? In the other semi, RVA Buckets beat Richmond Rack in Week 2, but Richmond Rack has been the best team in the league since...should be a good one!

D3A – Seven of the top 8 seeds survived to the quarters, with Purple Antelope playing the role of Cinderella. Another Won & Mambaz are both unbeaten, but they have their hands full with Wingmen & Buuk Movement, respectively. Wildcats and Hustle Game are the favorites in the other two quarters, but whichever four advance to Wednesday, they'll be deserving.

D3B – Top-seeded Box and Won has been dominant, but they did only beat PBR by two earlier, so a very tricky quarterfinal for them. PPD & Southside Saints should be the most competitive quarter, and we'll see if Rowdy Bunch can work through their half of the draw to the finals.
